To whom it may concern

RE: Character reference for Olga Szczepanska

Olga has trained as a Community Interpreter with CONNECT-NICEM, and has undertaken our programme accredited by the Northern Ireland Open College Network, which is a UK wide accreditation body.

As a member of the training group, we assessed Olga's interpreting skills and abilities and our tutor found Olga to be a very committed student with excellent English language skills.

During the course Olga proved to have excellent interpreting skills and took on board all learning from the tutors. Although we have not confirmed all final marks as yet, we expect Olga to do well.

Olga participated fully within the group and worked effectively as a member of a team.

For further information I can be contacted at the CONNECT-NICEM office.

Yours sincerely

Gabrielle Doherty
Director
CONNECT-NICEM
